### MESSAGE FROM THE FOUNDER

**Dr. Nemnath Jain**  
Padmashri Awardee  
Chairman, Prestige Group

Dr. Nemnath Jain the nonagenarian Founder Chairman of Prestige Group of Industries and Institutions is a first-generation entrepreneur who battled adversity and emerged victorious at each stage. He came to Indore from Rawalpindi during the partition. Dr. Jain attended evening classes and taught himself Electrical and Mechanical engineering and stood first in the initial batch of SGSITS Indore. He rose to be

the CEO of that very company before he started out on his own and set up a cattle feed plant heralding his tryst with destiny to shape the futures of millions of soybean farmers and thousands of young students at the Prestige Institutions at Indore, Gwalior and Dewas. He has successfully steered the group through 45 years of Agribusiness and 27 years of higher education."
